Due by 11:55pm on Day 7	30
Project	None due this week.	N/A	N/A

Week 1 Evaluation – Total Points Possible: 75

- **Homework: 30 points total** (review grading rubric within assignment PDF)
- **Web Presence: 15 points total** (review grading rubric within assignment PDF)
- **Discovery Topics: 30 points total** (review grading rubric within assignment PDF)

*Grades will be assigned within the limits of the grading policy. **Late work is not accepted. The appropriate Drop Box(es) will be closed at the time of assignment's due date. Email attachments of any assigned submitted work will not be accepted.***

*Discussion forum discovery topic responses posted after the due date deadline will be graded according to the grading rubric. **For each calendar day a response is posted past its due date, 25% is immediately deducted from the total point value. Responses not submitted within 3 (three) calendar days of the assigned due date will receive a "0" (zero) grade.***

Please review the course Late Policy within the First Day Handout/Syllabus.
